## Media Release

### **Commencement of commercial production at New Plant in Mahad**

**Mumbai, 29<sup>th</sup> April, 2024: Ducol Organics & Colours Limited** (NSE: DUCOL), Involved in development, manufacturing, marketing and distribution of wide range of dispersions & master batches primarily to industries such as paints, ink, textile, rubber, plastic, paper and FMCG, has started commercial production at its new plant, located in Mahad, Maharashtra. This plant will be adding capacities for already existing dry dispersion and a new line of universal strainers.

The plant has capacity for multiple production lines and as of now first line of production for dry dispersion and bottling of universal strainer has gone into commercialization.

#### Management Comment:

Commenting on this development, Mr. Aamer Ahmed Farid, Managing Director, Ducol Organics & Colours Ltd. said:

*“We are happy to announce a pivotal moment in Ducol Organics and Colours' journey - the commercialization of our modern plant in Mahad.*

*This development is a testament to our commitment to excellence and growth. Equipped with technology driven operations and operated by a dedicated team, we are well poised to maintain highest standard of quality which has been a hallmark of the Company.*

*With this strategic expansion, we are not only increasing our capacity but also enhancing our capabilities to meet the evolving needs of consumers. By leveraging our expertise and resources, we are confident in our ability to capture emerging opportunities and pave way for implementation of our medium to long term strategies.”*

#### About Ducol Organics & Colours Limited:

Ducol Organics and Colours, initially started as a small laboratory in 1990 with commercial production beginning from 1995 and now having over 25 years of experience in product development, innovation and improvements. The Company offers wide range of pigment

dispersions and colour solutions for various industries like Paints, Inks, Textile, Detergent, Paper, Rubber, Plastics and FMCG.

The Company is engaged in the business of manufacturing and selling of pigment dispersions, preparations, concentrates, paste colorants and master batches with three manufacturing facilities, 2 plants at Taloja and third one at Mahad. The Company's laboratories are well equipped to develop process capabilities and product application techniques. The Company has a pan-India customer base, with integrated operations to offer comprehensive product solutions to its customers.
